

## Elbow

---

Art.-Nr. 81488734

An input elbow is always used when the water supply from below to the monitor is not possible. Due to its design, the elbow allows a horizontal water flow to the monitor. The knee can be connected to a hose or pipe via couplings.

## Technical Data

Length [mm]:	250
Width [mm]:	200
Height [mm]:	165
Weight [kg]:	4.3
Inlet:	Storz 75 (B)
max. permissible operating pressure [bar]:	16
Material Adapter:	Aluminium
Sealing:	NBR
Product colour:	Red, RAL 3000
Outlet:	Flansch DN 80
